The Redbridge Group introduces Redbridge Re

The addition strengthens our management consulting practice.

Coral Gables, Florida, May 12, 2008 - The Redbridge Group introduces Redbridge Re, a life and health reinsurance management facility. With this new addition, Redbridge reinforces its international management consulting practice by offering reinsurance capacity for Health, Group Life and Personal Accident insurance products.

The addition of Redbridge Re strengthens our unique position as a global leader in management consulting and risk transferring for insurance operations. Redbridge Re binds and manages quota share, excess of loss and carve-out reinsurance coverages for local and international major medical and high cost health insurance plans, as well as group life, personal accident and disability income insurance programs. Our reinsurance facility offers state-of-the-art secure web technology for client interface for quotes, queries, financial reporting and more.

Edmund Santiago, President and CEO of Redbridge Re, is a managing partner in the Redbridge Group. Mr. Santiago has over 20 years of international senior management experience in the life and health insurance and reinsurance business, including AIG, MetLife, John Alden Life and IRM. He is a member of the American Society of Actuaries and a graduate of the University of Iowa.

Redbridge (www.redbridge.cc), a global strategic partner of LIMRA/LOMA, is a management consultancy and reinsurance facility specialized in global life & health insurance operations. We offer strategic insight and implementation leadership, product development, underwriting and related assurance management services.
